Celebrate the festive period in our fantastic event space “Illuminate”. This wonderful themed venue will sparkle with seasonal illuminations, as you eat, drink and party the night away.

Situated in the centre of London, just minutes away from London Bridge and Borough market, “Illuminate” is the party venue for people who want something that little bit different and oozing with style.

Let us provide you with everything you could need – from thinking up a funky menu to sourcing DJs and entertainment. Quite simply – we’re here to make your Christmas celebrations truly unforgettable.

We’re flexible too – our in house teams ensure that we can be, from our event planners to our fantastic chefs. We treat every party enquiry individually but just to give you an idea of what our packages include:

- **For parties from 80 to 200**
- **Exclusive venue hire from 7pm until midnight**
- **Welcome reception in “Smile”**
- **Three course seated dinner, bowl food or finger food**
- **Unlimited wines, beers and soft drinks**
- **DJ and dance floor available**
- **Wonderful “illuminating” lighting, decoration and table centres**
- **Cloakroom, security and full event management**

“It was the quality of service, food and venue that influenced my choice. The staff really understand hosting events and tailoring them to the needs of my attendees. I have previous industry experience within conference and banqueting and the staff met my high expectations. I am looking forward to hosting many more events with etc venues in the future!”
